

**Official Publication of the Abstract of Votes Cast for the
2008 Primary
2008 General**

To the Citizens of Colorado:

The information in this abstract is compiled from material filed by each of Colorado's 64 county clerk and recorders from the 2008 Primary and 2008 General elections.

I hope that you find this to be a useful tool in studying voting patterns in Colorado. In 2008, more than 2.4 million Colorado citizens exercised their franchise to vote. These votes helped elect a United States President, a U.S. Senator and seven U.S. Representatives. At the state level, voters weighed in on 14 statewide issues, 19 state senators and 65 state representatives, not to mention numerous judges, district attorneys and other county and local elected leaders.

As the state's chief election officer, I encourage the citizens of Colorado to take an active role in our democratic process by getting involved and exercising their right to vote.

Sincerely,

A handwritten signature in blue ink that reads "Bernie Buescher".

*Bernie Buescher
Colorado Secretary of State*

GLOSSARY OF ABSTRACT TERMS

Assembly

Meeting of delegates of a political party held during even-numbered years to designate candidates for nomination at a primary election. Delegates are registered voters affiliated with the political party who represent their precinct at the assembly.

Convention

Meeting of delegates of a political party held every four years to select delegates to other political conventions such as the national convention, and to nominate Presidential Electors. A convention may also be held as necessary for the purpose of nominating a candidate for a congressional vacancy election.

General Assembly

The legislative body of Colorado government organized as a bicameral legislature, which means it consists of two houses. The Senate includes thirty-five (35) members and the House of Representatives includes sixty-five (65) members.

Initiative

The Colorado Constitution provides that registered voters may propose constitutional amendments or changes to the Colorado Revised Statutes (C.R.S.) by petition. The procedures for submitting initiative petitions are governed by Title 1, Article 40, C.R.S. To place an initiative on the ballot, petitions must be circulated and proponents must obtain signatures of registered electors in an amount equal to 5% of the votes cast for all candidates for the office of Secretary of State at the previous general election.

Referendum

The General Assembly may refer proposed constitutional amendments or statutory changes to the statewide ballot to be approved by a vote of the people.

In addition, the Colorado Constitution provides that a referendum may be filed so that a vote of the people may override any act of the General Assembly, except laws necessary for the immediate preservation of the public peace, health, or safety and appropriations for the support and maintenance of departments of state and state institutions. To place a referendum initiated by the people on the ballot, petitions must be circulated and the proponents must obtain signatures of registered electors in an amount equal to 5% of the votes cast for all candidates for the office of Secretary of State at the previous general election. Referendum petitions must be filed with the Secretary of State no later than ninety (90) days after the final adjournment of the session of the General Assembly that passed the bill upon which the referendum is demanded.

ABOUT THE FORMAT OF THIS ABSTRACT

This abstract of votes cast reports the official certified results for the 2008 Primary and 2008 General Elections for all candidates, ballot issues, and ballot questions. There were no statewide ballot issues or questions in 2007; as a result, the 2007 election results are not contained in this abstract. All information contained in this abstract was obtained from each of Colorado's sixty-four (64) counties. The results reported in this abstract are more accurate than the compiled and totaled returns reported on the Secretary of State website and account for any miscalculations in the totals initially reported by each county.

The information on judicial retention regarding dates of oaths and terms of office was compiled from information provided by the State Office of Judicial Administration.

The totals of active registered voters reported in this abstract reflect the number of active registered voters in the statewide voter registration database on Election Day. The number of active registered voters eligible to vote in each precinct is reported in the column titled "# Active". The column titled "# Votes" reflects the number of eligible voters that actually voted in a particular contest, as reported by each county.

In a statewide contest such as United States Senator, the results are reported by each of the sixty-four (64) counties listed in alphabetical order, with a statewide total at the bottom. Candidates are listed in the order in which they were placed on the ballot. For example:

County	# Active	# Votes	Bob Schaffer (REP)	Mark Udall (DEM)	Bob Kinsey (GRN)	Douglas "Dayhorse" Campbell (ACP)
Adams	177,547	161,851	56,195	89,542	3,929	5,443
Alamosa	7,009	6,374	2,252	3,410	135	330
Arapahoe	287,909	268,673	106,555	139,115	5,506	6,235
Archuleta	7,559	6,637	3,210	2,787	165	288

Legislative and congressional district contests are similarly reported, listing each of the counties comprising the district in alphabetical order, with a district total at the bottom. For example:

County	# Active	# Votes	George C. Lilly (REP)	Diana DeGette (DEM)	Martin L. Buchanan (LIB)	Gary Swing (Write-in) (UNA)
Arapahoe	30,648	27,974	9,218	15,450	1,367	1

Jefferson	4	3	2	1	0	0
Total	343,812	305,093	67,346	203,756	12,136	11

Proposed amendments to the Constitution of Colorado or the Colorado Revised Statutes are listed in numerical order by each of the sixty-four (64) counties listed in alphabetical order, with a statewide total at the bottom. For example:

County	# Active	# Votes	Yes	No	Total	Turnout %
Adams	177,410	161,759	73,162	77,307	150,469	91.18%
